Thanks Mark, I got in touch with John and got it squared away. We're going to use "land treatment" as defined in Wis. Adm. Code 214.03(24). Thanks!

Subject: WI LAR Issue 20

Hello Jason,

I have not been able to come up with a definition of land application in the context of 40 CFR 122.50. Land application is a common theme of CAFOs and the Biosolids Program, but do not seem a good fit in this context. John Colletti is the person for this question, I have not come up with a good substitute. I apologize for not being more helpful.

Thank you,

Mark
